Deaf Thought of the Week:

Why Are Deaf Children Confused By English Language?

Where can a man buy a cap for his knee, or a key for the lock of his hair?
Can his eyes be called a school because there are pupils there?
In the crown of his head what gems are found?
Who travels the bridge of his nose?
Can he use when building, the roof of his mouth, the nails at the end of his toes?
Can the crook of his elbow be sent to jail?
If so what did he do?
How does he sharpen his shoulder blade?
I'll be hanged if I know, do you?
Can he sit in the shade of the palm of his hand?
Or beat the drum of his ear?
Does the calf of his leg eat the corn of his toes?
If so, why not grow corn on the ear?

A Special Education Procedures workshop will be presented to parents on March 16, 1991, in the second floor lounge of the ISD Residence Hall. This is an all-day workshop that will focus on Rule S-1 and will train participants in Special Education Procedures. It is a very worthwhile training for parents, especially on understanding various parts of your child's IEP. If you are interested in taking this workshop, please contact Jennifer Seet at (317) 924-8404 ASAP. We will try to limit the number of participants to ten to encourage participation. Lunch will not be provided. There are several restaurants in the area. Also, we will not be able to provide babysitting. I hope you can attend. It should be very informative right before IEP time. -- Jennifer Seet, Parent Services

A million thanks to Jess Blackwell and Yvonne Catt who were the Co-Chairpersons of the CSSD tourney and their committees (over 100 people) for their hard work to make the tourney a big success. Hats off to Jess, Yvonne, and the committee members for a job well done! Special thanks to the cafeteria staff for their extra work in feeding everyone and keeping the Hospitality Room supplied for coaches and workers; to the extra dormitory staff who helped out with the additional house guests over the weekend; and to the print shop workers for the fine CSSD program book. Almost every phase of ISD was involved: extra security, maintenance, and housekeeping--Thanks also.

Results of the 1991 CSSD tournament:
Eight deaf teams were here to participate in the tournament.
ISD boys won the championship game beating Ohio School for the Deaf 65-47.
ISD cheerleading squad won 1st place in Excellence of Cheerleading.
ISD girls got fourth place, bowing to Illinois.
Brandon Brooks, Dustin Warren, Becky Fields, and Jennifer Michels won Basketball All-Star.
